Lighthouse has a strong global presence with regional offices in **Europe, North and South America, the Asia Pacific** and **China**. Employing the most advanced technology, the highest quality manufacturing facilities, and world-class, round-the-clock technical support, Lighthouse satisfies customers on every major continent and captivates the imagination of millions.

WHY CHOOSE LIGHTHOUSE?

Integrity and Reliability

- Trusted partnership with world class brands for decades
- Worldwide around the clock after sales support
- Forefront R&D capability and technical consultation

Safety and Quality Assurance

- Meeting world-class safety standards
- Systematic manufacturing management
- Stringent QA process and scientific testing

Technological Advancement

- Lighthouse proprietary award-winning Technology - M5 Technology
- Powerful processing - 4K HD LCM processor
- 18-bit color processing
